Sponsorship Pack

Dear Partner,

The 'Bridge Builders Charity Golf Day' is more than just golf; a major aspect of the day is the charity it supports. The proceeds from the day are donated to Bridge Builders Youth Organisation, who continues to impact this generation and the generations to come.

Our 9th Annual Gold Day will be teeing off in October 2017 at the prestigious Eastern Golf Course, designed by the one and only Greg Norman. We would love it if you could take the time to consider being a corporate partner for this event, or gathering a few colleagues to play in a team.

In the pages of this pack you will discover a little more about Bridge Builders and the opportunities available for your company to be a part of the action for 2017.

Thank you for taking the time to read over the sponsorship pack and if you would like to arrange a time to meet and discuss this further, please contact me directly.

Regards,

Phil Stenhouse OAM
